

Amaravathi bridge work stalled in 2017 resumes

Without approach road, villagers wade through river or take 15-km detour

EXPRESS NEWS SERVICE @Karur

THE chief engineer of state highways department (Tiruchy division) on Tuesday inspected the site of an abandoned bridge across the Amaravathi river.

The residents of Koyampalli and Melapalayam villages located on the northern and southern banks of the river, who have been waiting for nearly eight years for connectivity are hopeful of its revival. Heeding to their demand, the State Highways Department (Construction and Maintenance) initiated the construction of a bridge across the river in 2017 at an estimated cost of ₹ 13 crore.

However, once the structure across the river was finished, the work was abruptly abandoned for unknown reasons. The situation has remained unchanged ever since. Without approach road to the bridge, people from both villages, including workers, farmers, students, women and children, have to wade through the river or take a 15-km detour of by road to reach the other side for their day-to-day activities.

The villagers have been run-

ning from pillar to post, urging officials to complete the project. Farmers repeatedly raised the issue during grievance redressal meetings, but all their efforts yielded no result.

In a surprise development, a team from the State Highways Department (Construction and Maintenance), Tiruchy, headed by Chief Engineer Jawahar Muthuraj, inspected the site on Tuesday and reviewed measures to expedite the work. He expressed confidence that the project would be completed within a year.

"The total estimated cost allocated for the project is ₹11 crore, including ₹3.20 crore for land acquisition and ₹7.80 crore for the construction of approach roads on both sides. The total length of the approach roads will be 950 metres- 400 metres on the Melapalayam side and 450 metres on the Koyampalli side. The land acquisition process is expected to take five months, following which another five to six months will be required to complete the remaining works," the chief engineer said.

Damaged equipment & poor maintenance, locals flag safety concerns at Science Park

P THIRUSELVAM @Tiruchy

THE Science Park in Anna Nagar which has been attracting hundreds of visitors every day has fallen into a state of disuse due to poor maintenance. Visitors raise concerns over damaged equipment, overgrown weeds, and the lack of basic amenities.

The Science Park, spread on 2.62 acres, was built by the Tiruchy city corporation in June 2018 at a cost of ₹2.14 crore under the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) scheme. The park is open from 6 am to 8 am and 4 pm to 8 pm daily. Entry is free for the public.

The facility features 20 science-based interactive exhibits, walking tracks, a Hall of Science, an amphitheatre, a rock and water fountain.

The park attracts around 200 visitors on weekdays, and the footfall doubles during weekends and public holidays. Visitors, however, say the facility is

not properly maintained. Several scientific exhibits and play equipment are damaged, while weeds and bushes have spread across the premises, making it a breeding ground for insects.

Basic amenities such as drinking water, adequate lighting, and properly maintained toilets are either unavailable or poorly maintained. The Hall of Science has remained locked for a long time, visitors added.

M Ragavi from Srirangam said, "I used to bring my daughter to the park almost every weekend. Compared to other parks in the city, this place offers children an opportunity to learn through science-based exhibits. But the conditions are worsening year after year."

She added that the nearby Ibrahim park is always crowded, and hence they prefer coming here. "Most areas remain poorly lit. The purpose of setting up

the science park has been defeated by neglect," she added.

Visitors alleged that only the fee-based attractions receive regular maintenance, while the rest of the park has been largely ignored. Although parking space is available, there is no parking management. As a result, many visitors park their vehicles along the roadside and in front of the park, causing traffic congestion.

Another visitor, K Santhosh from Thennur, said, "The damaged equipment poses a serious threat to children. On June 13, I saw a child getting injured while using one of the circular play structures. The child fell and cried in pain, but there was no staff member nearby to respond immediately. Several exhibits have sharp edges, broken parts, and rusted surfaces, which can cause accidents."

When contacted, a senior corporation official said, "We will visit the park and take measures to address the issues."

PUBLIC NOTICE
This Public Notice is issued on behalf of my client, Kolanjenathan, son of Ganesan, residing at No. 50/1, North Street, Mangalur Village & Post, Veppur Taluk, Cuddalore District.
My client purchased a property from (1) Pachaiyammal, wife of the late Jayaraman Konar, residing at Mangalur Village, Veppur Taluk, Cuddalore District; (2) Pandiyan, acting for himself and as the father and natural guardian of his minor children, namely (i) Ajith Bharathi and (ii) Ashwin Kumar; and (3) Kolanji, the second son of Pandiyan. The said property was registered vide Document No. 1487/2007 at the Sirupakkam Sub-Registrar Office on 19.12.2007. The Patta number for the property is 13829. On Friday, May 29, 2026, at approximately 07:00 AM, my client was travelling on his two-wheeler carrying the original documents of the property from Mangalur to Perambalur District, Kunnam Taluk, 26 Eriyur, to attend a wedding at the DKK Marriage Hall (Sugar Mill). While returning, around 12:00 PM at the Thirumanthurai Toll Plaza, my client checked his bag and discovered that the original sale deed was missing. Despite retracing his route and searching all the way back to the marriage hall, the original document could not be found. In connection with this, my client has submitted a formal complaint petition to the Superintendent of Police, Perambalur District, on June 3, 2026. If anyone finds my client's Original Sale Deed (Sirupakkam Sub-Registrar Office, Document No. 1487/2007), you are requested to kindly return it either to me or directly to my client. Notice is hereby given that any person found misappropriating, misusing, or unlawfully dealing with the said document will face strict legal action.
